

"iAM Smart+" Registration at Self-Registration Kiosk for Persons aged 18 or over

This video will introduce the "iAM Smart+" registration process at a Self-Registration Kiosk for persons aged 18 or over.

The graphics in this video (including screen contents) may have been enhanced with artistic effects or simplified for demonstration purposes. Please refer to the applications for the actual content.

Before registration, please make ready your Smart Identity Card or New Smart Identity Card, your smartphone, which is Internet accessible and with biometric authentication enabled, and your email address.

Download the "iAM Smart" mobile app and install on your smartphone.

Please visit a Self-Registration Kiosk.

Launch the "iAM Smart" mobile app on your phone.

Scan the QR code on the kiosk screen with the "iAM Smart" mobile app.

Before starting the registration, please read and agree to the terms in the applicant's declaration.

The registration steps are as follows –

1. Insert identity card:

Insert your identity card into the slot on the kiosk,

with the chip facing up.

2. Perform facial recognition:

Align your face with the photo frame on the kiosk screen to take images.

Then, you may continue the registration process on your phone.

3. Perform biometric authentication:

Perform biometric authentication with biometrics registered on your smartphone.

4. Set password:

Set your "iAM Smart" password and re-enter the password for confirmation.

5. Provide email address:

Enter your email address twice to complete the registration.

Registration has been completed.

For details, please visit the "iAM Smart" website at [iamsmart.gov.hk](http://iamsmart.gov.hk).
